

PERIMETER

Example Piano Lab Configuration

BENEFITS

- Ideal for multi-use rooms. (Pianos can be moved.)
- Pianos can be placed on dollies and easily moved.
- Played together, simple parts sound more complex.
- Increased feedback and peer motivation.
- Students can see the teacher easily.
- Students can easily see visual displays.

CHALLENGES

- Most “small group” benefits are lost.
- Less “large group” repertoire available.
- Students can be easily distracted.
- Teacher movement is very restricted.
- Poor cord management.
