Example Piano Lab Configuration

TEACHER PIANO

BENEFITS

- Excellent availability of *leveled* quartet repertoire.
- Played together, simple parts sound more complex.
- Encourages student leadership (ie - “Group Leader”)
- Small groups build beneficial teamworking skills.
- Greater flexibility for unique learning styles/speeds.
- Increased feedback and peer motivation.
- Easier for teacher to move around the room.
- Good cord management.

CHALLENGES

- Some students have to turn to face the teacher.
- Some students have to turn to face visual displays.
- Small groups can be harder to keep focused.
- Teacher will want wireless headset/mic option.
- Additional or longer cables may be required.
