

TEAMS

Example Piano Lab Configuration

BENEFITS

- Students can see the teacher easily.
- Students can see visual displays easily.
- Played together, simple parts sound more complex.
- Configuration encourages teamworking skills.
- Increased feedback and peer motivation.
- Easier for teacher to move around the room.
- Pianos can be placed on dollies and easily moved.
- Good cord management.

CHALLENGES

- Most “small group” benefits are lost.
- Limited student leadership opportunities.
- Teams cannot see each other easily.
- Students can be easily distracted.
- Less “large group” repertoire available.
- Some students will be behind the teacher.
