TEACHER PIANO

BENEFITS

- Best for lecture-style teaching.
- Students can see the teacher easily.
- Students can easily see visual displays.
- Played together, simple parts sound more complex.
- Increased feedback and peer motivation.
- Good cord management.

CHALLENGES

- Most “small group” benefits are lost.
- Students cannot see each other easily.
- Less “large group” repertoire available.
- Students in the back can be easily distracted.
- Teacher movement is very restricted.
- Teacher will want wireless headset/mic option.
- Additional or longer cables may be required.
