

TRIOS

Example Piano Lab Configuration

BENEFITS

- Excellent availability of *leveled* trio repertoire.
- Played together, simple parts sound more complex.
- Encourages student leadership (ie - “Group Leader”)
- Small groups build beneficial teamworking skills.
- Greater flexibility for unique learning styles/speeds.
- Increased feedback and peer motivation.
- Easier for teacher to move around the room.
- Very good cord management.

CHALLENGES

- Small groups can be harder to keep focused.
- Teacher will want wireless headset/mic option.
- Smaller groups will sound less complex.
- Takes up more floor space than other configs.
